

1. Name :- **Dr. Aftab Ahmad Shabnam**
2. Designation : **Scientist-C.**
3. Qualification : **M.Sc., Ph.D.**
4. Present Posting : **CSR&TI, CSB, Pampore.  
Kashmir**
5. Date of Joining Board and as: **29-12-2008 as Scientist-B.**
6. Date of Joining at present place: **29-12-2008**
7. Field of work : **Mulberry Breeding and Genetics.**
8. Specialisation : **Cytogenetics and Molecular Biology at  
M.Sc. level. Mutation breeding at Ph.D  
level.**
9. Area of Interest : **Plant Breeding, Molecular Biology, and Genetics.**
10. Contact No : **9797111974, 8803001043**
11. e-mail : **aftab2006@gmail.com**
12. Brief Note of activities:

**Involved in acquisition, conservation, characterization and utilization of mulberry germplasm under temperate conditions, multilocational trial (MLT) of evolved F<sub>1</sub> selections and studies on mulberry improvement. Formulation of the strategies for crop improvement in mulberry under temperate conditions and building up of the infrastructure/purchase of equipment for establishing molecular biology laboratory.**

**Aftab A. Shabnam**
